

1 **90° Single – Active Latching** NTS

This drawing is a typical representation of the door and hardware positioning in the opening. By no means should this be construed as construction plans. Architectural review is required to ensure that the opening meets the dimensional, structural, and functional requirements.

Hinge Jamb

Head/Latch-side Jamb

2 **Head/Jamb** NTS

Single – Non Hold-open - Active Latching
 XT-L Series X EMA Continuous Hinge (NTS)
